How to Order

Bring the name and model number of your firebox to your Stoll Authorized Dealer. Stoll has a library of patterns to match nearly every direct vent fireplace manufactured.

DVS-FC

Shown in Weathered Brown

DVS

Shown in Silver Mist
with Brushed Chrome Accents

**The DVS also works
beautifully for vent free fireboxes!**

Change your ordinary direct vent firebox into an elegant fireplace.

Design your own classic look by choosing from Stoll's large selection of finishes.

Screen doors provide an additional layer of protection from hot glass front and give depth and character to your plain direct vent front.

Doors are available in a variety of decorative designs. See our traditional screen brochure for ideas.

With our unique magnetic mounting system, installation of your Stoll screen is amazingly quick and simple!

The system also allows for easy removal for cleaning, etc.
