Customize your Fireplace Hood!

- We offer a custom 8 1/2" depth
- We can make any custom width you need.

How to Measure for your Stoll Fireplace Hood:

- When using the Stoll Hood over a fireplace enclosure, measure the width of your enclosure and add approximately one inch for the finished width of your Stoll Hood.
- When using the Stoll Hood on masonry fireplaces or metal fireboxes without an enclosure, measure the width of your fireplace opening and add approximately four inches for the width of your Stoll Hood.

Five Year Limited Warranty

Stoll Fireplace Equipment, Incorporated warrants Fireplace Hood to the original retail purchaser against defects in materials and workmanship for a period of five years. Stoll will replace at no charge, any part that fails due to defect in materials or workmanship.
